Magnetic & Turbine Meter Product Notification

September 17, 2018

Dear Valued Channel Partner:

In a continued effort to provide the highest level of service and support to you, Liquid Controls is focusing its business strategies around our core products which provide the highest value for your customers and markets. Effective immediately we are discontinuing the **Magnetic** and **Sponsler Turbine** meter and electronic product lines.

To minimize potential disruptions to your business, we will be accepting orders on a case by case basis through September 30, 2018. Orders for turbine meter products and accessories will ship no later than October 31, 2018.

In light of the foregoing, we will also be modifying our warranty for these products pursuant to the attached warranty statement. While we will still offer a full remedy for valid warranty claims, such remedy will be limited to a refund for valid warranty claims raised after October 18, 2018. As we are discontinuing the line, we will no longer have the capacity to offer repaired or replacement products.

This update to the Liquid Controls portfolio will enable us to better sustain our current offering as well as accelerate innovation, ultimately providing you world class solutions and support.

Please contact your Regional Sales Manager or myself directly with any questions or concerns.

We remain thankful for your business and look forward to serving you in the years to come.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sheena Cline'.

Sheena Cline

Liquid Controls, LLC

Liquid Control Sponsler Brand and Magnetic Flow Meters

9/17/18 Notice of Warranty Modification

Effective October 18, 2018, Seller's warranty shall be modified to read as follows:

The Seller's products are warranted against defects in material or workmanship for a period of one (1) year from date of shipment. Seller's obligations, as set forth below, shall apply only to failure(s) to meet the foregoing obligations provided that Seller is given written notice within thirty (30) days of any occurrence from which a claim of defect arises. If a warranty dispute occurs, the Purchaser shall be required to provide Seller with proof of date of sale. The minimum requirement to establish date of sale shall be a copy of the Seller's invoice. In the event that a factory inspection by Seller or its designee(s) supports the validity of a claim at the discretion of Seller, a refund shall be the sole remedy for defect. In no event shall Seller be liable for any special, consequential, incidental, indirect or exemplary damages arising out of warranty, contract, tort (including negligence) or otherwise, including but not limited to, loss of profit of revenue, loss of use of the product or any associated products and/or equipment, cost of substitute goods or services, downtime costs or claims of or by Purchaser's clients or customers. In any event the total liability of Seller for any and all claims arising out of or resulting from the performance, non-performance or use of the product shall not exceed the purchase price of the individual product giving rise to the claim. All other guaranties, warranties, conditions and representations, either express or implied, whether arising under any statute, common law, commercial usage or otherwise are excluded. Electronic products require installation, start-up and servicing by local factory-trained service representatives. In the absence of installation, start-up and servicing of electronic products by Seller trained service representatives, this warranty is null and void. Seller's obligations as set forth above shall not apply to any product, or any component or part thereof, which is not properly installed, used, maintained or repaired, or which is modified other than pursuant to Seller's instructions or approval. NOTE: The above warranty applies only to products manufactured by, Liquid Controls, LLC, Lake Bluff, Illinois. Private label, OEM, and/or products manufactured by, Liquid Controls, LLC's licensee(s) are specifically excluded from the above warranty. Consult factory for all non-Liquid Controls, LLC manufacturer's warranties. NO IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY.
